Date: 25th January 2024

Application: SMD/2024/0040
Location: Ivy Cottage, Tythe Barn, Alton
Proposal: Change of house type for Plot 10 and associated changes to parking layouts for Plots 8 and 9 from that previously approved under application SMD/2017/0497

The proposal has been reviewed with particular reference to Police CPI's Secured by Design guidance and in accordance with the recognised principles of Crime Prevention Through Environmental Design. It is not considered that the comparatively minor changes to aspects of the previously approved permission at the least accessible part of the development will adversely impact upon the opportunity for crime, disorder or anti-social behaviour, and consequently Staffordshire Police has no objection to this application.

Crime Prevention advice is given freely without the intention of creating a contract, and all comments and recommendations are site specific. Staffordshire Police and the Home Office do not accept any legal responsibility for the advice given.
