Submission: Objection

Comments: I object to the proposed development of houses to be built in Clay Lake, which is already a busy road, especially at the beginning and end of the school day. The extra traffic from 22 houses would add greatly to the problem. The access to the site is near to a difficult bend in the road, so entering or leaving could pose a danger due to the lack of visibility. There would also be an increased risk to the many children from Brown Edge who attend the high school walk to school and back home along Clay Lake and have to cross at some point. Apart from the traffic issue I also feel that it would be very sad to lose the beautiful green space which is obviously teeming with wildlife.
