Submission: Objection

Comments: As local residents we have not been informed of this proposal and we fully support the comments and issues submitted by F. Massey and J. Jervis in their objection to the application. To our knowledge there has been no consultation or clarity as to the age and needs of the children who would be in care at the property. We are concerned because there has been previous criminal anti-social behaviour in the area and adjacent woodland to the property and would therefore question whether this would be an ideal location for a children's care home. In addition, there is no street lighting, and no footpaths if the children walked into Cheadle via the very busy, Draycott Cross Road with 60mph speed limit.

To conclude, this site in our opinion, is a totally unsuitable location for a children's care home.
