Our Reference: SMD20230638

District Reference: SMD/2023/0638

Date Received: 11-Jan-2024

Date Responded: 31-Jan-2024

Particulars of Development:

Installation of a vehicle impact protection barrier around existing gas governor kiosk

Location of Development:

Froghall Road, Ipstones

Recommendation Summary: Acceptance

Site Visit Conducted on: 23-Jan-2024

Personal Injury Collisions;

Current records show that there were not any Personal Injury Collisions on Froghall Road within 215 metres either side of the site between 31st December 2015 and 31st December 2020.

Background;

The site is located on Froghall Road, a B classification road (Road No. B5053), and is subject to a 60mph speed limit along the stretch fronting the site. Froghall Road is a main route through the village of Ipstones.

Description of Proposal;

Installation of a vehicle impact protection barrier around existing gas governor kiosk.

Comment;

The proposed development is located in a semi-rural area adjacent to a classified road, subject to a speed limit of 60 mph.

The above application is for the installation of a vehicle impact barrier to a height of 1.1m to provide protection around an existing gas governor kiosk. The proposed barrier is to be constructed within highway land.

It was noted during the site visit a village name plate is sited within the highway verge to the south of the kiosk, this sign is not shown on the submitted plans; the sign will require repositioning.

There are no highway safety or capacity issues around the planning application and therefore I have no objections to the application on highway grounds. (application number SMD/2023/0638).

Informative:

The construction of the protection barrier shall require a Highway Works Agreement with Staffordshire County Council. The applicant is requested to contact Staffordshire County Council in order to secure the Agreement. The link below is to the Highway Works Information Pack including an application form. Please complete and send to the address indicated on the application form or email to highway.agreements@staffordshire.gov.uk. The applicant is advised to begin this process well in

advance of any works taking place in order to meet any potential timescales.
