Submission: Objection

Comments: I wish to advise that I object to the planning application submitted by The Grange, Clay Lake, Endon.

Clay Lake is becoming an extremely busy road, adding a further 22 homes to this road would create a dangerous environment for motorists using this road. Road safety should not be compromised by such proposal.

My property is at the bottom of Clay Lake and during peak times, we already have issues with serious congestion, which makes pulling out of my own driveway dangerous at times. Further increased traffic will only add to this issue.

Furthermore, with local schools, the safety of children and pedestrians must be taken into account. With no safe crossing points, increase in traffic is an accident waiting to happen.

The proposed houses are also not in keeping with the surrounding area and other properties, looking more like a mini estate, which is a shame to generate an over crowded area with the sheer size of the proposed development in such a small tranquil location.
