Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

Please note, there are further eligibility criteria that will be covered in subsequent questions.

Please note: Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the [nationally described space standard](#).

Was the use of the site on 20 March 2013 (or the last use before that date) solely for an agricultural use as part of an established agricultural unit?

- ☐ Yes
☒ No

Was the site only brought into use after 20 March 2013?

- ☒ Yes
☐ No

As the site was only brought into use after 20 March 2013, what date was it brought into use solely for an agricultural use as part of an established agricultural unit?

23/05/2013

To be eligible for this permitted development right, the building must have been used as detailed above for a period of 10 years prior to development commencing.

Has the use, as detailed above, been continuous since the date stated; and will that use continue until the proposed development commences?

- ☒ Yes
☐ No

Has any work under the permitted development rights for the erection, extension or alteration of a building reasonably necessary for the purposes of agriculture been carried out on the agricultural unit:

- Since 20 March 2013; or
- Where the development covered by this application will begin after 20 March 2023, during the 10 year period before development begins.

- ☐ Yes
☒ No

Will the external dimensions of the resulting building(s) extend beyond the existing building(s) at any point?

- ☐ Yes
☒ No

Is any part of the land, site or building:

- in a conservation area;
- in an area of outstanding natural beauty;
- in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- in the Broads;
- in a National Park;
- in a World Heritage Site;
- in a site of special scientific interest;
- in a safety hazard area;
- in a military explosives storage area;
- a scheduled monument (or the site contains one);
- a listed building (or within the curtilage of a listed building)

- ☐ Yes
☒ No

Agricultural tenants

To be eligible for this permitted development right, all parties to any agricultural tenancy agreements that are currently in place, or that have been terminated in the year before development is proposed to begin, need to provide consent.

This is to help ensure that agricultural tenants are not displaced to allow a change of use to be carried out.

Is the site currently occupied under any agricultural tenancy agreements?

- ☐ Yes
☒ No

Have any agricultural tenancy agreements been terminated in the year before development is proposed to begin for the purpose of carrying out the proposed change of use?

- ☐ Yes
☒ No

Dwellinghouses and floor space

To be eligible for this permitted development right, the number and size of dwellinghouses developed has to be within the limits set by legislation. This includes any dwellinghouses that were previously developed under this permitted development right.

- No more than a total of 5 dwellinghouses (including no more than 3 larger dwellinghouses) can be developed;
- No single dwellinghouse can exceed 465 square metres of floor space; and
- The total combined floor space of all the larger dwellinghouses developed cannot exceed 465 square metres.

For the purposes of this permitted development right:

- 'Smaller dwellinghouse' means a dwellinghouse (Use Class C3) which has a floor space of no more than 100 square metres
- 'Larger dwellinghouse' means a dwellinghouse (Use Class C3) which has a floor space of more than 100 square metres but no more than 465 square metres.

Please note: For prior approval applications submitted from 6 April 2021 onwards - Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the [nationally described space standard](#).

How many smaller dwellinghouses will be created by this proposal?

0

How many larger dwellinghouses will be created by this proposal?

1

What will be the net increase in dwellinghouses?

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

1

Previous development

How many smaller dwellinghouses have previously been created under this permitted development right on this established agricultural unit?

0

How many larger dwellinghouses have previously been created under this permitted development right on this established agricultural unit?

0

Floor space of larger dwellinghouse(s)

Will the total combined floor space (previously and in this proposal) changed to Larger Dwellinghouses under this permitted development right on this established agricultural unit exceed 465 square metres?

(Select 'No' if no larger dwellinghouses have been or will be created).

☐ Yes

☒ No

Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including:

- The siting and location of the building(s); and
- From 1 August 2020, details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Agricultural Storage Building built in 2013 to replace a Piggery

Are any associated building works or other operations required to make this change?

Note that such works are restricted to those listed below that are reasonably necessary to convert the building(s) for use as a dwellinghouse:

- the installation or replacement of windows, doors, roofs, or exterior walls;
- the installation or replacement of water, drainage, electricity, gas or other services;
- partial demolition to the extent reasonably necessary to carry out the works listed above.

☒ Yes

☐ No

If yes, please provide details of the design and external appearance of the building(s) in regard to these building works or other operations:

Windows and doors inserted within existing walls.
Insulated Wall / Roof Panel used internally by FLITCRAFT or similar.

Please provide details of any transport and highways impacts and how these will be mitigated:

There is a large area of porous hardstanding to the front of the barn which can be used as parking
The access is an existing situation and is used for the purpose of agriculture. The current use is more intensive than the conversion to create 1 dwelling.

Please provide details of any noise impacts and how these will be mitigated:

None applicable, this is a detached building. There is an adjacent Stone Quarry, please see Noise Impact Assessment by SBM Acoustic Consultants.

Please provide details of any contamination risks and how these will be mitigated:

None applicable, the site is a clean agricultural site

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

[Check if your site location is in Flood Zone 2 or 3 online.](#)

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

No flood risk applicable. EA Flood Mapping has been submitted
