Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

The proposal is for the removal of the existing Funk n Fly ride and to replace it with an attraction that sits atop a concrete structure that has an approximate overall height of 18m. The structure will house plant and storage on either side of an access tunnel that will maintain guest access within the Forbidden Valley area. Theming features will be situated to either side of the structure with queue line wrapping to the South and South-East.

Has the work or change of use already started?

- ☐ Yes
☒ No

Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

Breaking up of existing historic ride base and hard landscaping. No building demolition works are to take place.

Existing Use

Please describe the current use of the site

The site is currently occupied by the ride FunknFly. Surrounding the site is a mixture of brick pavements that serve as pathway access from the North-West of Forbidden Valley to the South-East towards Galactica. To the south is an area landscaping densely populated with trees and the undesignated heritage asset deer wall. The recently approved retail unit and coffee shop are located to the East and North respectively.

Is the site currently vacant?

- ☐ Yes
- ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

- ☐ Yes
- ☒ No

Land where contamination is suspected for all or part of the site

- ☐ Yes
- ☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

- ☐ Yes
- ☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

N/A

Proposed materials and finishes:

Details of the pre-application advice received

Jane highlighted the requirement of showing more context of the attraction in relation to the neighbouring tree heights. It was also highlighted what surveys would be required for the application ie. arboricultural, wire frame sight views, noise impact assessment etc.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
