Submission: Objection

Comments: We would like to object to the proposed planning at number 17, High Street for a number of reasons.

Inappropriate height and length of rear extension, resulting in the blocking of our outlook onto St Peters Church and our community gardens, where we have our allotment.

The proposed upper window balcony would mean a lack of privacy for close neighbours.

Parking would be another problem if this property is going to be used as an Air B&B. Parking in the High Street is already horrendous.

The High Street is the oldest part of the village and property being bought for holiday lets are going to kill off the 'community' of Alton, leaving less and less opportunities for future generations.

We have lived here for over 57 years and will be very upset to see these plans agreed by people who it won't affect in the slightest.

Ray and Bernadeen Bailey.
