Description of Proposed Works

Please describe the proposed works

Replacement of 3 wooden sash windows on the front elevation with 3 new wooden sash windows but changing the window pane configuration from 2 over 2, to 8 over 8 as they would have been originally - the pane configuration is different hence does not qualify for like for like, hence the application. We have also been awarded a restoration grant by Moorland Partnerships, which has stipulated the 8 over 8 as a condition of the grant

Existing materials and finishes:

painted wooden sashes

Proposed materials and finishes:

Painted wooden sashes, restoring the original configuration of 8 over 8. Ideally we would like to paint them either Farrow and Ball "Railings" or "Hague blue" but appreciate it would need to be passed by both the planning officer and the conservation officer - currently there are a variety of coloured painted windows along street and we believe that either "railings" or "Hague Blue" would still be in keeping with the other properties around us As part of the restoration, the sills will be taken back to stone - The sills are currently painted in "railings" hence the request above. The front door is already painted in Farrow and Ball "railings"
