Comments: Dear Sir/Madam

My husband David and myself object strongly to this application, this is farming land, when we are desperately need to produce our own food, also the road infrastructure, can not stand the volume of traffic that is already using the roads into Cheadle, at times it can take 15/20 mins to get through the town of Cheadle. The Doctors, Dentist, schools cannot cope now . It was never in any plans that the land would be taken for building. It is time to look seriously at Cheadle the poor highways we have . Traffic is at a standstill now , get prioritises right before building any more houses . Cheadle is being rubbished stop it now.
