Submission: Objection

Comments: Objection of 50 Coleridge Drive to be used as a children's home for children with emotional and behavioural problems.

This home will have a big impact on our lovely, quiet and well respected estate. None of the neighbours or residents on our estate had any notification about the proposed changes to 50 Coleridge Drive.

I feel this children's home is not suitable for our estate. It's next to a children's park, where young children play. There's not enough parking at this property and we need to keep the road clear and safe for pedestrians.

The home will be around many family homes with children and I feel this children's home will have a big, negative impact on our properties and value.

I have a work colleague who worked in one of these children's homes and the children caused damage to neighbours cars, properties, thefts and causing problems with the neighbours. Police were called daily to different problems.

Is this something we need on our well respected family estate?

I am very worried for my family and children and other families on our estate. I'm sure there is a more suitable place to home these children that is not surrounded by family homes.
