Comments: As a family with young children I strongly object to the planning application.

This is a family housing estate, we should not be subject to living in the close vicinity of troubled children who obviously need round the clock care.

I feel this is putting the local residents at risk to potential harm, vandalism and anti social behaviour and this could de-value our homes.

The house is next door to a public childrens play area where our local children play. Surely that is a massavie risk to our local children.

Also having careworkers coming and going on night shifts would create a big impact on car-parking spaces which is already a nightmare for local residents.
