Comments: The property is not suitable to be a childrens care home. The providers are buying the cheapest large house in Cheadle without a thought for the children that will live there. The property has no direct access at the back of it, the garden is small with no space for children to play games safely. There is not enough parking at the front of the property, cars will be parked on a narrow road approaching a blind bend. The house is very close to other properties and not suitable for possibly four 17 year olds with emotional and behavioural needs.
