Submission: Objection

Comments: We live on this quiet residential street which we feel as a family that it is not the appropriate location for a children's home housing children who exhibit challenging behaviour, particularly as the home is adjacent to a children play area. These children will require appropriate care and enabling them to access a young children's play area as well as neighbouring all properties, leaves them vulnerable, not to mention leaving our other local children and their families vulnerable to disruption including noise and challenging behaviour. Therefore, I strongly object to this proposal.
