Submission: Objection

Comments: I personally think putting houses up here is a bad idea, the traffic is bad enough down froghall road and leek road without adding more traffic once these houses are built, there isn't enough roads in cheadle to hold all the traffic this will cause, it's not like it's a small estate or a few house being built it's too many, we need more schools, doctors, dentists, shops before even thinking about putting up more houses, when there is houses that have not long being built on froghall road and Churchill road, it's destroying the nature of cheadle.
