Submission: Objection

Comments: The road capacity is not sufficient for this scale of development. There are already issues regarding traffic congestion. This is totally illogical as traffic would divert through Kingsley along Holt Lane. A Primary school is situated there in addition to Holt Lane being particularly narrow at that point. Also the turn after onto the High st is awkward at the best of times. In conclusion this is a safety issue and a traffic congestion problem which cannot be solved due to the nature of the current layout, which, no matter how much you reconfigure is unsolvable. I strongly object to this application.
