Submission: Objection

Comments: We strongly object to application to change the above address to a care facility on a residential housing estate where the residents are now if a certain age. Most have bought property on the estate due to it's quite environment.

We feel for children of the age group mentioned on the application there would be nothing for them locally.

I also feel that an application of this status the council would have had a common decency to notify residents. I personally have not seen any notifications from the council
