Submission: Objection
Comments: I write to voice my complete objection to this proposal.

Having lived in Cheadle all my life I've seen our lovely small town grow into a place I hardly recognise anymore.

The roads in the town have been struggling to manage the traffic for many years now, with heavy congestion at peak times and more recently even non peak.

Looking at the plans of the proposed site it's so sad to see yet more of our beautiful Greenland been masked and taken away from the town.

Cheadle cannot cope with yet more traffic impacting further to the congestion and air quality.

Our town does not have enough GP surgeries to be able to accommodate 228 more patients MINIMUM (if only 1 person lived in each new home).

Schools are also currently unable to accommodate children.

We have to think about our town and stop lining pockets of these developers. We've got so many new estates in Cheadle with houses yet to be sold.

What about the hedgerows, trees and the wildlife habitat?

The local councils need to manage and maintain our roads as it is now...we have so many damaged and unfixed roads at this time. Extra traffic is only going to exacerbate this. Think about the safety of our children in the community when trying to navigate their way to and from school if walking.

It's a NO from me. I wholly object.
