Submission: Neither

Comments: Cheadle does not have the infrastructure to support such a large development. Traffic is dreadful at the best of times, doctors appointments are scarce. Without significant investment in Cheadle (Roads, high street, supermarkets, facilities, etc), this can not go ahead, particularly at the size requested. The influx of developments in recent times has pushed the town to breaking point and this needs to be understood prior to any more large housing development schemes being passed.
