Submission: Objection
Comments: The area of Cheadle does not warrant more housing.

Local infrastructure is poor, schools, doctors and dentists are oversubscribed and cannot help the current population let alone the hundreds more that would come with more houses.

Roads are poor - many are country roads that cannot cope with current traffic and an increased amount of cars and heavy works traffic will make them worse.

There is poor transport links in the area which would further increase car use.

More housing will be unsightly to the local area, and more should be done to protect our green spaces and farmland.
