Submission: Objection

Comments: Again i say roads can not cope now .yet alone any more houses built the infrastructure is not there and never will be and we don't want a stupid roundabout top of frogghall Road. As it will be dangerous as traffic flows fast even in 30mph limit .don't give me all that crap about building a school .or anything else that you offer you lot say anything to the councillors just to get the permission well hope its turned down .as I smell corruption and bribes here .expertly for the tory lot .who you like giving donations to when you get a planning acceptancei rest my case .ten four out
