Submission: Objection

Comments: I wish to object to the planning SMD/2021/0610. Froghall Road has seen a lot of housing and other development in recent years causing many problems including traffic congestion in Cheadle. This development will also cause more traffic problems for Kingsley which is already suffering from congestion especially around St Werburghs School and on the main A52. Residents from this new development will drive through Kingsley holt and Kingsley to gain access to the Potteries etc to avoid going through Cheadle. Kingsley has very narrow pavements and a problem with parked cars which is a big safety issue.
