Planning Application Comment

**Ref: SMD/2023/0620 - Retrospective application for raised patio and pergola -
Sprinks Farm, Horton ST13 8QE**

From: J&G Willox, Good Cow Farm, Horton, ST13 8QD (neighbour)

Comment:

Should the development extend beyond the property's domestic curtilage and/or encroach on to greenbelt land, then we would expect SMDC to observe policies and rules with regards to material changes of use and preservation of the Greenbelt.

We reserve our right to comment further during the consultation period if needs arise.
