Date Responded: 18-Mar-2024

Particulars of Development:

PROPOSED STABLE BLOCK AND HARDSTANDING

Location of Development:

5, Mill Hayes Road, STOKE-ON-TRENT, ST8 7BH

Recommendation Summary: Conditional

Site Visit Conducted on: 07-Mar-2024

Personal Injury Collisions;

Current records show that there are no Personal Injury Collision (PIC) on Mill Hayes Road within 50m either side of the property from 01/01/2019 to 31/12/2021.

Background;

The application site is located off Mill Hayes Road, to the rear of property No. 5. Mill Hayes Road is an unclassified road (Road number D1077), it is subject to a 30mph speed limit, the road is traffic calmed (speed humps) and there are footways and streetlights.

Details of Proposal;

Proposed stable block and hardstanding.

Comments on Information Supplied;

The proposal is for the construction of a stable block and hardstanding. Initially a stable block of 7 stables and tack room were proposed, revised plans (Revised Plan P347-211PP022 Revision B) show the proposal has been changed and will now provide 5 stables, a tack room and hay and tool store.

The stable block is to be constructed in land to the rear of properties 1 to 5 Mill Hayes Road.

Access will be via the existing domestic driveway to 5 Mill Hayes Road (applicant's property). It is considered that the applicant who occupies the property 5 Mill Hayes Road can walk to and have direct access to their horses, therefore vehicular access will be limited, and trips will be low.

The stable block is for the private use by the applicant.

It is considered the proposal would not have a detrimental impact on the highway. I therefore have no objection to the proposal (application number SMD/2023/0629) subject to the following being conditions.

The stables shall be restricted to the private use of the applicant and shall not be used for commercial purposes, special events or leased out.

REASONS ALL To comply with NPPF; to comply with SMDC Core Strategy policy DC1; in the interests of highway safety.

Note to Planning Officer:

The above decision is based on the understanding that the proposals are for personal equestrian activities.

Revised Plan P347-211PP022 Revision B received on 04/03/2024.
