Good Afternoon

FPC have no objection, provided that the colour is as per figure 5, page 7 of the design & access statement as below. This is not made clear at 4.5 on page 8.

Figure 5 A photorealistic view to show the domed roof between the portacabin side buildings

4.5 Appearance and Materials

Materials for the various components are as follows:

- Roofing - to the dome canopy to comprise a sheet 'tensile' or 'tarpaulin' membrane draped tight over a light-structured steel frame or of similar approval.
- Portacabin walls - to be a dark green standard corrugated steel sheeting panel system or similar approved.
- Internal decorative finishes - to be approved at a later date.

Kind regards

Carmen Worthington
