

All heights, sizes and dimensions should be checked on site by the contractor before any work is put in hand.

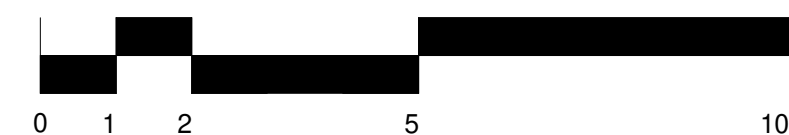

Figured dimensions should be taken in preference to scaling and any errors or omissions reported to the architect at once.

This drawing has been prepared in accordance with the CDM (Construction Design and Management) and all foreseeable design risks to those involved or affected by construction have been avoided wherever possible.

Note
Any removal of trees and foundations within root protection zones to be approved by Tree heritage or equivalent governing bodies.

Proposed Landscaping is to be read in conjunction with Andrew Nichols Master Planner drawing REF: 373_106_2 Site Landscape Plan as Proposed.
