Submission: Objection

Comments: Further to the objections I have submitted (last one 13/3/24), I will separately E Mail comparison photographs clearly indication expansion of hard standing, for which I have been unable to find any request for Greenbelt Development or change of use from original agricultural use of the facility. When I mentioned potential unauthorised change of use, I advised the yard seemed to have been extended to accommodate trailers and lorries, this confirms this. As the change of use was claimed by the applicant as from 2023, this suggests there is no justification for its now being made legal. I will E Mail photographs following this communication
