Comments: I wish to object to this application on following grounds:

Parking, the application mentions 3 members of staff plus visitors, this will add a significant amount of vehicles to a road already crowded with parked cars

The application is riddled with errors, if this is the care and attention that Empower & Endeavor Care Ltd (E&E Care) are willing to put into their application, they have no business caring for children

It is evident from the application Empower & Endeavor Care Ltd (E&E Care) have clearly carried out no research on the proposed location and so have no idea if it is suitable for their plans

A quiet residential area with many residents who are elderly or have young children is not an appropriate area to house children with severe behavioural issues

Cheadle is a small town with very limited services; there is no walk-in centre, no full-time police station, limited public transport. GP surgeries and dentists are at capacity. Cheadle does not have the infrastructure to support the proposed plan to ensure the children get the support/help that they need
