Submission: Objection

Comments: I wish to add this to my previous objection :

From Prime Ministers Questions on 20/3/24, the PM stated:

"That is also the point he makes, which is important. I have been crystal clear: we must protect agricultural land. Food security is incredibly important and we need our farmers to produce more Great British food."

This land is GREEN BELT agricultural and NOT Industrial. And that the roads leading to it are single track and totally unsuitable for H G Vs.
