Dear Sir/Madam

Re Application No – DET/2024/0004

Location - Wylde Goose Farm, Ashbourne Road, Bradnop ST13 7LZ

Proposal - Proposed approval application for the change of use of agricultural buildings to a
flexible use, specifically as an aparthotel (Use class C1)

The proposed development was studied carefully and discussed at our recent Parish Council meeting.

It was thought that there was insufficient substance in this building for a conversion. It was stated that this would not simply be a conversion, but would be a complete replacement building.

It was definitely thought that more information and details would be needed for this to be discussed further, as this certainly is not substantial enough in any way shape or form.

Yours faithfully

Sheila M. Knott
Clerk to the Council
