Objection.

After reading the latest comments by scc highways & the environment agency I'm shocked with how many promises Bloor Homes are actually offering, (to many false promises that they highly likely won't keep), no other developer has ever offered this much in the area never mind the county, promises, just so they can get what they want, it's all wrong, it's going to cost millions of pounds, no wonder they are want to build over 200 houses in such a small space, cramming them in like sardines in a tin, just so they can make some profit out of it..... It's disgusting, theres no other word for it....

It simply won't work because of the bottle neck that is Tape Street, improvements to junctions, improvements to pedestrian crossings, new roundabouts, improved bus services ect, it will all be for nothing because it will still get gridlocked everyday because more housing will simply lead to even more vehicles on the roads, with Pottery Gardens only around 50% complete, MJS Transport is expanding, & countless other developments in the area ect, SO YOU ARE DOING NOTHING BUT DEFEATING THE OBJECT YOUR TRYING TO SOLVE & JUST GOING TO MAKE IT WORSE, plus what about all the extra air & noise pollution all of this is going to cause? It's bad enough now for pedestrians that have no choice to walk into Cheadle, the people that came up with all this nonsense clearly don't live around here & clearly don't see what we the people of Cheadle see & have to put up with everyday.....

It needs stopping because if passed it will be nothing but the complete destruction of Cheadle town & beautiful countryside between town & the village of Kingsley & Kingsley Holt.....

With OVER 230 public OBJECTIONS & a VERY long list of other issues, this should mean something in getting this proposed development refused/rejected, ask anyone in Cheadle & the surrounding area, enough is enough.....

PLEASE DON'T IGNORE THE PEOPLE OF CHEADLE & STOP THIS PROPOSED DEVELOPMENT BEFORE ITS TOO LATE.
