Comments: The solar farm will destroy our rural outlook. Forever changing the rural feel of Rownall, Wetley Rocks, Werrington and Bagnall. The solar farm is too large for such a small area. The local wildlife we see month to month will have its habitat destroyed. We regularly see foxes, hares, little owls and bats. The area surrounding the proposed solar farm is used for leisure and recreation by many families. The solar farm will bring no jobs or opportunities or increase the housing stock of the local area. It will negatively affect the use of my home and garden.
