Submission: Objection

Comments: We object to the planning and development of this house on the basis that we feel this is an inappropriate property for the purpose that is intended. We have lived in our current house since it was built and seen the development of the area grow along with the increase of traffic and parking on pathways. We feel that the comings and goings that will be associated with purpose of the property will only add to this nuisance, even with the parking the property provides. Also very close to the property is the only playground on this part of the estate, we feel the risk of this being used inappropriately by older children in the property should be considered. It also look like the due diligence done by the company concerned has some serious mistakes and incorrect statements about the area, this is a serious concern. Derek and Pam Parker
