Application Reference No. : SMD/2024/0055 Site Address: LAND SOUTH OF CELLARHEAD SUBSTATION AND WEST OF Rownall Road Wetley Rocks Staffordshire Comments by: Michael Cooper

From:
Horseshoe Barn
Rownall Road
Wetley Rocks
Stoke on trent
Staffordshire
St9 0bp

Phone:

Email:

Submission: Objection

Comments: The proposed site is located in the Green Belt and will be visible on the landscape for miles. There will be destruction to wildlife habitats for barn owls, curlews, foxes, and hares to name a few. There will be a consequential effect on local tourism businesses and

heritage sites. There is a high risk of fire, explosion, thermal runaway and toxic fumes. There will be unacceptable noise and light pollution to the local residential dwellings.
