Submission: Objection

Comments: I don't think this would be a great idea as having lived here for all my life it has always been a lovely welcoming estate full of friendly trustworthy people. I believe that every child should have the right to a good education and childhood and shouldn't be treated differently because of their past - however I don't believe that this estate is the right estate to be having such a home. I strongly believe that this would bring challenging and misbehaving children to the area. It would encourage naughty children from other areas to also congregate around what is a lovely estate. I also strongly think that there is NOT sufficient parking for so many vehicles wanting to be there at any one time. There is only space for 3 vehicles on the drive so this would mean many cars parking on the roadside making it unsafe for people which pushchairs, children and people with wheelchairs for them to safely walk on the pavements

Thank you for taking the time to read my objection
