Submission: Objection

Comments: I object to the above planning application:

1. On 28th September 2023, the applicant received approval for the conversion of their nearby agricultural barn at Lodge Farm (Planning Application Reference SMD/2023/0328) into "incidental accommodation including plunge hot tub." This barn could have been used to store agricultural equipment and supplies rather than build another.

2. The height of the proposed building seems excessive for the purposes stated within the application.

Regards, Hilary Wood
