Submission: Objection

Comments: I note with great appreciation that today half a dozen Council workers and two vehicles are employed filling the many potholes along Rownall Road between Home Farm and the entrance to this agricultural shed. I wonder if it's occurred to the District Council and Stoke on Trent Highways just why this long overdue work is necessary?

It results from the heavy laden HGV traffic travelling at great speed and braking heavily before each blind corner many times daily, for the last 2 years to access this 3 times planning breaching agricultural shed.

Who pays the rate payers of course!

Sincerely

Ian Podmore 10/04/2024
