Submission: Objection

Comments: Having read through the planning application I wish to object to it on two grounds. Firstly that Ipstones does not need any more 4 bedroomed detached houses. There is a severe shortage of affordable housing for the younger generation in the village, who consequently are being priced out of the village as has happened in neighbouring villages of Foxt and Whiston. My son is a firefighter at Leek station, and an oncall firefighter at Ipstones station. The opportunity for him to buy a home of his own within Ipstones is severely impeded by lack of suitable housing stock and price. Secondly, I understand that there is supposed to be a covenant preventing the existing house from being demolished. I would like to see that covenant honoured.
