Comments: I have viewed the plan and I am very unhappy with the proposed changes to the squash courts as 2 courts are not enough as at the evenings they are all fully utilised and going forward with squash now in the Olympics we need to keep our options open especially with the raised interest and if for instance there is less interest in the day a court could be used for something else as there are 3 purpose built courts already. We should be encouraging sports not stopping it as there is more than enough space for other types of gym equipment however if it's not possible to save all 3 courts please do not use the best 2 and use the very end court (court 1)
