Comments: The omission of seating for spectators is a serious oversight. Memories of going to watch my sons in various galas were marred by people packed into a small viewing area. Now

is the chance to correct this . Crowd support is vital to any sport it spurs you on to do that extra bit to become a winner. I competed myself as a child and I can still hear the cheering. Please reconsider this oversight. I am sure there are teams and clubs who need supporters to cheer them on and also proud families need witness their children's success.
