Submission: Objection

Comments: I am objecting to the planning on behalf of my 88 year old father who has lived next door for the last 50 years + on the grounds of the following items listed.

The property shown closest to my father would cut out light and be a invasion Of privacy.

The property has not got sufficient parking which would cause traffic problems and this could cause big problems with there being a junction just up from the property.

The planning for two houses squeezed into that area with one close to my fathers with big gable end blocking out light and encroaching on privacy totally unacceptable and unfitting with surrounding layout.

I also believe there isa covenant on the land restricting building to one property.

On these grounds my father strongly objects to this application.
