YOUR COMMENTS ON THE CASE

I object to the proposal for the installation of a solar farm on the following grounds:

- 1) loss of agricultural farmland
- 2) Loss of Green Belt land and designated Areas of Outstanding Natural Beauty and Rural areas beyond the Green Belt
- 3) Encourage instead the redevelopment of brownfield sites.
- 4) Integrate roof-top solar energy generation in new commercial developments
- 5) Negative impact of development on countryside, agricultural land and wildlife.
- 6) Negative impact of large scale developments containing photovoltaic cells on human, animal and agricultural well-being
