Submission: Objection

Comments: I am writing to object to this application. My mother lives on this part of Wood St so I visit the area numerous times a week. The proposed use is totally inappropriate for this site. This part of Wood St is single width only making the junction with the A523 dangerous at times. Vehicles often have to reverse back into Wood St if vehicles are turning in from A523. Having vehicles accessing this site, which is right on the junction, in order to park and charge batteries is an accident waiting to happen. The application should be refused on highway safety grounds.
