Submission: Objection

Comments: I object to this planning application as I did with the first submission. I am 90 years old and I have lived in Caverswall for over 60 years. I love to get out around the village on my mobility scooter, its an opportunity to see old friends and observe the wildlife. During the Spring and Summer months there are lots of baby rabbits born in the land at question and its lovely to see them happily hopping around the field. I also enjoy seeing the owls, hawks and horses that all frequent the land.

It is also enjoy calling at the Auctioneers Arms for a cup of tea and a slice of cake. It is lovely sitting outside in the sunshine but this would be spoilt if all I could hear is dogs barking. It is a dog friendly pub and villagers enjoy taking their dogs with them. Dogs barking in the dog walking field would encourage the villagers dogs to bark. I feel that it is absolutely unnecessary to spoil the village for its residents with a private business that is unwanted by the villagers.
