Submission: Objection

Comments: I wish to log my objection to the planning application for an enclosed secure dog walking field on land off caverswall road on the grounds of safety. The proposed location is adjacent to the local scout hall, a well used horse paddock and round the corner from mill close which has a number of small children in residence. As the planning application is for an unmanned secure/enclosed dog walking area one can only assume any dogs being exercised will be of an unsocial/aggressive type which is totally unacceptable in a residential area. There are several open areas within walking distance of this site to exercise well behaved dogs off the lead free of any charge.
