Submission: Objection

Comments: I wish to object to the reapplication for a dog walking field on the grounds it could be a danger to school children. Twice a day the bus stops directly in front of the field and in close proximity of the entrance.

The scout hut is in the adjacent field and as well as being used weekly by cubs, scouts etc in the Summer they camp in the field.

There doesn't seem to be any supervision of the proposed dog walking field and this could just as easily be used to train guard dogs as general pets.

There are concerns for people living in Mill Close being subjected to the noise of barking dogs 12hrs a day.

Dog walking fields are usually on the outskirts of villages, not in this instance, it is 60-70 yards from the centre of our village 'Cookshill'.

There are numerous dog owners in our village and at least 20 dogs in the Green, all of which are quite happy to be walked on a lead and there are adequate dog walking facilities within 1/1.5 miles of our village, so why would we want to encourage other people's dogs into our area?

This proposal was denied in the past and I see no reason why it should be passed now.
