Date: 1 May 2024

Dear Jane,

**DISCHARGE OF CONDITIONS 8, 13, 15 AND 16 RELATING TO SMD/2018/0234
FOLE DAIRY, UTTOXETER ROAD, FOLE, UTTOXETER, STAFFORDSHIRE ST14
5EH**

Thank you for consulting us on the above application which was received on 12 April 2024. We have reviewed the submitted discharge of conditions application details including the Flood Risk Assessment (FRA) by JBA Consulting, ref: 2021s1118 A1-CO2 Rev, dated April 2022.

Looking at our earlier advice given relating to this development, including our letter dated 26 August 2022, (copy attached), it appears that we have previously considered and provided comments relating to this FRA (& flood modelling), raising no objection to these conditions being discharged.

As such we have no further comments to make at this time in relation to conditions 15 and 16.

Whilst not the subject of this current discharge of conditions application we also understand that we have previously stated that we have no objections to the discharge of condition 14 of the associated outline planning permission.

Yours sincerely

Mrs. Nanette Brown
Planning Officer
Environment Agency West Midlands Area
