Comments: This site was given permission to run as an Ice Cream Parlour in December 23 after being open for several months with zero permission and running the place like a market with different stalls, food sellers, bouncy castles each day etc. Permission was granted but with conditions on which food they could sell to stop it turning into the previous free for all that it was. There is no need for another cafe as there are 2 great cafes in the immediate area at Bolton Gate (ST3 5BD) and Shukers farm (ST3 5BE). The owner of Bobbys is not a farmer like we are lead to believe in the news stories, he is infact a butcher and is just wanting to push his produce through this venue. This venue is not big enough for this kind of venture and should be kept as an ice cream parlour which in itself is great for the area. Unfortunately once again before this permission has being approved the venue is pushing all kinds of different foods and drink rather than just ice cream. This place really needs to be policed as it is too much for the location. Please check the business Facebook page where everyday they are badgering people to visit, then later in the comments it is clear that there is not enough parking, there are queues of traffic etc. This is not realistic for the size and location and all the extra traffic that is being produced causing excess pollution as it is only accessible via car not public transport.
