Comments: I have lived near and used this land since I moved to leek when I was 9, I am now 59 years old. I grew up and continue to live near this land and want to see the public be able to continue to use the land. I have personally chosen to live in this area due to the beautiful fields you can walk through and enjoy as being close to nature is an important aspect of my life. Please consider the support for this planning application, as it would be a great loss to the community to lose access to these feilds.
