Dear Hannah Hollins

**NEW APPLICATION
LOCATION**

DOC/2024/0028

**Moneystone Quarry Cheadle Road
Oakamoor**

**PROPOSED
DEVELOPMENT**

**Discharge of Conditions 3, 4, 5, 7, 9, 12 and 13
in relation to application SMD/2022/0014**

Thank you for the consultation on the above. I am currently consulting colleagues on this application, Unfortunately due to the complexity and technical nature and changes in staff (i.e. colleagues previously involved on the site have moved roles) it is likely that we are not going to be able to respond within the 21 day period. I hope to get a better idea of when we will be able to respond once I have heard back from colleagues. We will endeavour to respond as soon as is possible.

If you would find it helpful I am happy to have a chat about this application and our concerns.

Kind regards

Ms Gillian Driver

Senior Adviser

Planning for a Better Environment – West Midlands Team

Natural England, Worcester County Hall,

Spetchley Road, Worcester, WR5 2NP

Follow the West Midlands team on Twitter - [@NE_WestMids](#)

www.gov.uk/natural-england

In an effort to reduce Natural England's carbon footprint I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.

Natural England offers two chargeable services – The Discretionary Advice Service ([DAS](#)) provides pre-application, pre-determination and post-consent advice on proposals to developers and consultants as well as pre-licensing species advice and pre-assent and consent advice. The Pre-submission Screening Service ([PSS](#)) provides advice for protected species mitigation licence applications.

These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, reduce the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.
